Resolution 2: Re-election of Mr Kenneth John Down

- 11 Rule 19.3(a) of the Constitution requires an election of directors to take place at every Annual General Meeting. The Director to retire under rule 19.3 is the director who has been in office the longest since being appointed (by agreement between them when appointment occurred at the same time). Accordingly, Mr Kenneth John Down will retire from office under Listing Rule 14.5 and rule 19.3 of the Constitution and stand for re-election.

His extensive private and public sector experience has contributed to forming the corporate vision for, and the building of, the company that MSL has become today. Resolution 3: Approval of additional 10% capacity under Listing Rule 7.1A

- 16 Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12 month period without requiring Shareholder approval. In accordance with the Listing Rule 7.1A, eligible entities (companies that are outside the S&P/ASX 300 index and that also have a market capitalisation of \$300 million or less) can issue a further 10% of the Company's share capital over a 12 month period following the Annual General Meeting (provided Shareholder approval is obtained at the Annual General Meeting) on a non-pro rata basis.
- 17 The Company falls within the eligibility criteria required by Listing Rule 7.1A.
- 18 The number of shares that may be issued (if Shareholder approval is obtained at the Annual General Meeting) will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

 - (B) plus the number of partly paid shares that became fully paid in the 12 months;
 - (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% capacity pursuant to Listing Rule 7.1 without Shareholder approval; and
 - (D) less the number of fully paid shares cancelled in the 12 months.
- D** is 10%.
- E** is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

Information under Listing Rules 7.3A.6(a) and 7.3A.6(b)

20 There have been no issue of securities since the Company listed on the ASX in May 2017.

Information under Listing Rule 7.3A.2

21 The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

22 The table also shows:

- (a) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution

	Funds raised	\$4,735,730	\$9,471,461	\$18,942,921

*Note: Current Variable A refers to the calculation required by Listing Rule 7.1A.2 which, in the Company's case, equates to the current issued share capital of the Company.

23 The table has been prepared on the following assumptions:

- (a) the Company issues the maximum number of Shares available under the 10% Listing Rule 7.1A approval;
- (b) no options are exercised to convert into Shares before the date of the issue of the Shares available under Listing Rule 7.1A;
- (c) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;

- (d) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of a share issue under Listing Rule 7.1A, based on that Shareholder's holding at the date of the Annual General Meeting;
- (e) the table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
- (f) the issue of Shares under Listing Rule 7.1A consists only of Shares; and
- (g) the issue price is \$0.19, being the closing price of the shares on ASX on 14 September 2018.

24 As at the date of the Notice of Meeting, the Company has on issue 249,248,965 Shares. Subject to Shareholder approval being obtained for Resolution 3, the Company will have capacity to issue the following equity securities as at the date of the Annual General Meeting:

- (a) 37,387,344 Shares (under Listing Rule 7.1); and
- (b) 24,924,896 Shares (under Listing Rule 7.1A).¹

25 Listing Rule 7.1A requires Resolution 3 to be passed as a special resolution. A special resolution needs approval by at least 75% of the votes cast by members entitled to vote on the resolution.

Directors' recommendation

26 The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

Resolution 4: Approval of the MSL Performance Rights Plan

27 A key component of remuneration provided to senior employees and executives are long-term incentives. Long-term incentives ensure employees have part of their remuneration align with shareholder success.

28 One of the key foundations of the Company's equity incentive program is the Company's Performance Rights Plan (**Plan**). The Plan is designed to:

- (a) align employee incentives with shareholders' interest;
- (b) assist employee attraction and retention; and
- (c) encourage share ownership by employees.

Shareholder Approval

29 ASX Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12 month period without requiring shareholder approval. Pursuant to Listing Rule 7.2, Exception 9, an issue under an employee incentive plan will not count toward a company's 15% limit provided the plan was approved by shareholders within three years before the date of the securities being issued. Approval is sought under that rule and the following information is included for compliance with Listing Rule 7.2, Exception 9.

¹ The actual number of Shares the Company will have capacity to issue under Listing Rule 7.1A may vary and will be determined at the date of issue in accordance with Listing Rule 7.1A.2 (as illustrated in the table above).

30 The Plan has not previously been approved by Shareholders. Therefore this Plan is being put to shareholders for approval at this annual general meeting for the purposes of Listing Rule 7.2, Exception 9 pursuant to this Resolution 4.

Summary of the terms of the Plan

Eligibility

31 The Plan will be open to eligible participants (including employees, executives, Directors and consultants) of the Company or any of its subsidiaries who the Board designates as being eligible.

Grant of performance rights

32 Performance rights will be offered to eligible participants for no consideration under the Plan. The offer must be in writing and specify, amongst other things, the number of performance rights for which the participants may accept, the date on which the performance rights vest and any conditions to be satisfied before vesting, and any other terms attaching to the rights.

Vesting conditions

33 The Board may specify any vesting conditions which must be satisfied before a performance right vests.

Vesting of performance rights

34 The performances rights vest subject to the satisfaction of any vesting conditions or any other conditions contained in the offer and upon which each performance right shall entitle an eligible participant to receive one share after the vesting date.

35 The Board may decide, in its absolute discretion to substitute the issue of Shares on the vesting of Performance Rights for the payment of a cash amount.

Lapse

36 Unless the Board determines otherwise, unvested performance rights shall lapse upon the occurrence of specified events contained in the Plan rules and summarised below.

Event	Treatment of performance rights
Eligible participant’s lawful termination from employment with the group or consultancy arrangement with the group	Rights lapse immediately
Eligible participant’s resignation or vacation from the Board, employment or consultancy with the group	Rights lapse immediately
Eligible participant being made redundant	Rights do not lapse
Eligible participant becomes disabled and (in the opinion of a medical practitioner nominated by the Board) is unable to perform their normal duties	Rights do not lapse
Death of the eligible participant	Rights do not lapse

Event	Treatment of performance rights
Eligible participant loses control of their permitted nominee	Rights lapse immediately unless they are transferred to the eligible participant

Rights of participants

- 37 Performance rights issued under the Plan do not entitle the holder to notice of, or to vote at, or attend Shareholders' meetings, or to receive any dividends declared by the Company. Should the Company undergo a reorganisation or reconstruction of capital or any other such change, the terms of the rights will be correspondingly changed to the extent necessary to comply with the Listing Rules.
- 38 In the event of a change of control, the Board shall have discretion to deal with the performance rights, including allowing accelerated vesting of the rights.

Change of control

- 39 If a change of control trigger event occurs (e.g. a person acquiring voting power in more than 50% of the ordinary shares in the Company, lodgment with ASIC of an order of the court in connection with a scheme of arrangement, the Company disposes of the whole or a substantial part of its assets or undertaking), then, unless the Board decides otherwise, the vesting date of all performance rights is the date on which the change of control trigger event occurs, or another date the Board decides.

Disposal restrictions and holding locks

- 40 If an offer contains a disposal restriction (being a restriction on the creation of a security interest in, or the transfer, assignment, disposal or otherwise dealing with, a share issued on vesting of a performance right), the participant must comply with the disposal restriction in relation to all shares issued on vesting of a performance right for the period specified in the offer. A disposal restriction ceases to apply immediately upon a change of control trigger event occurring.
- 41 If the shares issued on the vesting of performance rights are subject to a disposal restriction, the Company may implement any procedure (including a holding lock) it considers appropriate to ensure the disposal restriction is complied with for the period specified in the offer.

Quotation

- 42 Performance rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Plan.

Ranking of shares

- 43 A share issued on the vesting of performance rights ranks equally with all existing shares of that class from the date of allotment.

Assignment

- 44 Performance rights are not transferable or assignable without the prior written approval of the Board.

For personal use only

Governing law

45 Queensland law governs the Plan and the rights of participants under the Plan.

Administration

46 The Plan will be administered by the Board which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions (subject to the Listing Rules) in addition to those set out in the Plan.

Termination and amendment

47 The Plan may be terminated or suspended at any time by the Board and that termination or suspension will not have any effect on or prejudice the rights of any participant holding performance rights at that time.

48 The Plan may be amended at any time by the Board except an amendment which would:

- (a) have the effect of materially adversely affecting or prejudicing the rights of any participant holding performance rights at that time, except for amendments:
 - (i) to comply with the Constitution, Corporations Act, Listing Rules or any other law affecting the maintenance or operation of the Plan;
 - (ii) to correct a manifest error;
 - (iii) to address potential adverse tax implications affecting the Plan arising from changes to laws relating to taxation, the interpretation of laws relating to taxation by the relevant governmental authorities (including the release of any ruling), courts or tribunals; or
- (b) effect a change to increase the number of Shares to which a participant is entitled on vesting or change the vesting date unless permitted by the Corporations Act and the Listing Rules.

Directors' recommendation

49 The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to this resolution.

Resolution 5: Issuance of performance rights to Managing Director

50 Performance rights confer an entitlement to be issued one Share subject to the satisfaction of any performance criteria on the terms set out in the Performance Rights Plan.

51 Subject to the approval of Shareholders, the Company proposes to grant a maximum amount of 560,000 Performance Rights to Managing Director, Mr Craig Kinross.

52 The price for each Share that may be issued upon vesting of a Performance Right is nil.

53 The objective of the proposed grant of Performance Rights to Mr Kinross is primarily to link the reward of Performance Rights to Shareholder value creation, and align his interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

54 Subject to shareholders approving resolution 4, the Performance Rights shall be issued under and subject to the terms of the Plan.

55 Listing Rule 10.14 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 4 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

56 The key terms of the Performance Rights are set out in the tables below:

Recipient	Mr Craig Kinross
Number	560,000
Vesting Date(s)	30 June 2022
Vesting Conditions	Total shareholder return (TSR) is to increase by 10% compounding per annum (with no penalty for not achieving the 10% in one year, so long as the overall 10% compounding is achieved by the end of the vesting period).
Other Conditions	Other key terms of the Plan are detailed in the explanatory statement to resolution 4.

Other general terms of the Performance Rights

57 It is intended that the Performance Rights will be issued within 5 days after the Annual General Meeting, but in any event will be issued no later than 12 months after the Annual General Meeting.

58 For the purpose of Listing Rule 10.15.4A, all Directors are entitled to participate in the Plan.

59 For the purpose of Listing Rule 10.15.4, no Directors or their associates have previously received any Performance Rights under the Plan.

60 There are no loan arrangements with Mr Kinross in relation to the acquisition of the Performance Rights.

61 The other general terms for the Performance Rights are outlined in the Annexure of this Explanatory Memorandum.

General Information

62 Consistent with the accounting standards, the Company discloses the following information concerning the value of the Performance Rights to be issued. A fair value for the Performance Rights to be issued has been calculated using the Black Scholes methodology and based on a number of assumptions, set out below, with an adjustment to the expected life of the Performance Rights to take account of limitations on transferability. This methodology is commonly used for valuing Performance Rights and is one of the permitted methodologies under ASIC Regulatory Guide 76. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Performance Rights.

For personal use only

- 63 The Board draws shareholders' attention to the fact the stated valuation does not constitute and should not be taken as audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 3 October 2018.

Valuation for Performance Rights to be issued to Mr Kinross

Underlying price	0.00
Volatility	56.32%
Dividend Yield (estimate)	0.00 Based on dividends paid over prior 12 months
Expiry Date	30 July 2022 Based on 30 days after Vesting Date
Vesting Date	30 June 2022
Exercise (strike) price	0.00
Risk free rate	2.01%
Value - per right	0.2158
Number of Performance Rights issued	560,000
Employee benefit expense	\$120,848

- 64 A significant factor in the determination of the final value of Performance Rights will be the ultimate share price at the date of final performance rights grant (this will be the date of approval by the shareholders if such approval is obtained). The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 3 October 2018.

	Highest Price	Lowest Price
Closing Price (\$)	0.32	0.16
Date	9 August 2017	14 August 2018
Total employee benefits expense	\$173,992	\$84,448

- 65 As such if it is assumed all other factors are equal, where the share price increases above the \$0.32 disclosed above the final value of Performance Rights granted will increase, and conversely where the share price reduces the final value of Performance Rights granted will also reduce.

Remuneration

- 66 Excluding the value of the proposed Performance Rights, Mr Kinross currently receives \$440,531 per annum for his position as Chief Executive Officer and Managing Director. The amount stated is per annum and comprises salary, superannuation contributions and known short and long-term incentive payments.

Financial Benefit – Details and reasons

- 67 Approval has been sought for the giving of a financial benefit to Mr Kinross, a related party, under section 208 of the Corporations Act.

68 The amount, terms and value (subject to the stated assumptions) of the Performance Rights are set out above.

69 The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Performance Rights to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Performance Rights are designed to incentivise employees. Performance Rights also act to provide a retention incentive for key employees, such as Mr Kinross, to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders' and Directors' interests; and
- (e) the Company believes the associated expense is limited and the nature of the Performance Rights package proposed is commensurate with market practice.

70 On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Performance Rights to Mr Kinross is in the best interests of the Company and its Shareholders.

Existing interests and the dilutionary effect on other Shareholders' interests

71 The effect that the vesting of the Performance Rights will have on the interests of Mr Kinross relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Performance Rights.

The total number of shares on issue in the capital of the Company	249,248,965
Shares currently held by Mr Kinross*	10,748,271
% of shares currently held by Kinross	4.31%
Performance rights to be issued under Resolution 5	560,000
Existing performance rights held by Kinross	Nil
Shares that will be held following the vesting of all performance rights held by Kinross	11,308,271
% of Shares that would be held assuming no other performance rights vested	4.52%

* including indirect interests

Termination Benefits

- 72 Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous 3 years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by shareholders.
- 73 Early vesting of Mr Kinross' Performance Rights may amount to the giving of a termination benefit requiring shareholder approval in accordance with the Corporations Act. Approval is therefore sought under sections 200B and 200E of the Corporations Act that the grant of the Performance Rights to Mr Kinross does not count towards the maximum termination amounts payable to him without Shareholder approval to the extent that the benefits are deliverable on the cessation of Mr Kinross' employment. Details of Mr Kinross' remuneration are set out above and in the Company's remuneration report.
- 74 Subject to shareholders approving this Resolution 5, the maximum number of Performance Rights that may vest upon cessation of Mr Kinross' employment is up to 560,000. However, the actual number of Performance Rights that may vest upon cessation of Mr Kinross' employment will depend on a range of factors. Accordingly, the value of any termination benefit that may be received as a result of the early vesting of the Performance Rights upon cessation of employment cannot be ascertained at the present time. Apart from the future share price being unknown, the following are matters which will or are likely to affect the value of the benefit:
- (a) the number of unvested Performance Rights held by Mr Kinross prior to cessation of employment;
 - (b) the reasons for cessation of employment; and
 - (c) the exercise of the Directors' discretion at the relevant time.
- 75 The Company will calculate the value of the benefit as being equal to the value of the number of Performance Rights that vest early, where that value is determined on the basis of the prevailing share price of the Company at the time.

Listing Rules

- 76 In accordance with Listing Rules 10.18 and 10.19 respectively, Mr Kinross shall not:
- (a) be entitled to receive Termination Benefits (or any increase in them) if a change occurs in the shareholding or control of the Company; and
 - (b) without shareholder approval, be entitled to Termination Benefits if the value of those benefits and the Termination Benefits that are or may become payable to all officers together exceed 5% of the equity interests of the Company (as set out in the latest accounts of the Company given to ASX under the Listing Rules).

Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to resolutions 5.
