

28 May 2020: ASX RELEASE

MSL Solutions Limited (ASX:MPW) ASX Ticker Code Change

MSL Solutions Limited (ASX:MPW) (“MSL” or “the Company”) confirm that they will proceed with a change in the Company’s ASX Ticker Code to “MSL”. The change is effective from 29 May 2020.

The CEO of MSL, Patrick Howard said “The change of our ASX ticker code from ‘MPW’ to ‘MSL’ is an important step in the continuation of our review of the business and streamlining the way in which our customers, shareholders and employees identify with our business.

Now, more than ever, we need to be working with our customers to assist them during this period of fast moving regulatory change as they endeavour to adapt to the easing of restrictions to allow them to optimise their performance. We are active in our venue customer base providing support to align with their re-opening plans as well as additional functionality such as in house ordering, click and collect and supportive analytics. MSL’s advanced but low cost technologies will also improve operational efficiencies for stadiums as they re-emerge with reduced capacity.”

The Company will trade under the new ASX Ticker Code “MSL” from 29 May 2020.
